GO·STEM & STEM Oregon

PRESENT...

STEM WEEK!

MAY 4-12

Each completed activity is an opportunity to learn about STEM and WIN PRIZES!

ELEMENTARY SCHOOL

Activity Options (on your own or in a group):

1. Draw a plan, then use that plan to construct a structure out of newspaper and tape. The structure must hold 1 book.

2. Build a working catapult. Send us a video of it launching!

3. Using only trash, build a model of the Earth.

To enter, you (or a parent) MUST post a photo/video of your completed project using #STEMWeekOregon and #GOSTEM.

More details on FB @GreaterOregonSTEM or on our website:

WWW.GO-STEM.ORG

Greater Oregon (GO) STEM is an Eastern Oregon collaborative focused on developing STEM education, awareness, and career pathways.
